¹ Availability varies by country. [See additional details](#).

² Benefits not available in all languages; availability may vary by geography. MSDN subscriptions provided by the Microsoft Partner Network (MPN) do not include technical support incidents, priority support in MSDN Forums, or MSDN Online Concierge as similar services are provided through MPN. Not for Resale (NFR) subscriptions do not include technical support incidents. BizSpark subscribers get 2 technical support incidents per company, provisioned to the administrator.
